

## Overview of the Power Supply Plan for Fiscal 2003

### FY 2003 Plant Investment Plan

The total value of plant investments under the above plan amounts to 77.1 billion yen (an increase of 19.9 billion yen (+21%) as compared with the FY 2002 investment plan). This total breaks down into 48.6 billion yen for power generating equipment, 1.7 billion for power transmission and transforming equipment, and a remainder of 26.8 billion yen for other items.

The required funds will be procured through private-sector loans and publicly subscribed bonds.
