Electric Power Development Co., Ltd. (J-POWER)

Construction Works of Minami Ehime No. 2 Wind Farm Have Started

The second project for J-POWER Group's wind power in Shikoku area

Electric Power Development Co., Ltd. (hereafter "J-POWER") announces that J-Wind Co., Ltd., a wholly owned subsidiary of J-POWER, has begun construction works at Minami Ehime No. 2 Wind Farm in Ehime, Japan.

Minami Ehime No. 2 Wind Farm will be constructed on the administrative boundary between Uwajima City and Ainan-cho, Minamiuwa-gun, Ehime Prefecture, on the eastern side of the existing Minami Ehime Wind Farm. This new wind Farm will be the second one in Shikoku for the J-POWER Group. Commercial operation is targeted to begin in fiscal 2024.

1. Overview of the Wind Farm
